\$5 (Non-refundable)

Internet Pack

Welcome to the Internet.

To help you make the most of the Internet
using your Windows 95 computer,

KU's Academic Computing Services provides you with:

1. A CD-ROM to install software you need to connect your Windows 95

computer to the Internet and use e-mail, read Usenet news, and
surf the World Wide Web with Netscape Communicator, and more

2. Installation instructions

3. Help with computing at KU, in the form of
documentation

in Brief

ACS hopes you'll find the KU Internet Pack for Windows 95 useful. If
you have questions about the KU Internet Pack for Windows 95 software
or documentation, please call the Computer Center Help Desk at (785)
864-0200.
